

Can you remember what top she had on.

LUNT

No.

Okay and then you say you met Lisa and Joanne.

LUNT

Yes.

And can you remember what Lisa had on

LUNT

Lisa was wearing a pair of black hipsters. I don't know what type of top she had on but Joanne was wearing jeans.

Coats.

LUNT

Well they all had coats but I don't know what type of coats they were.

Colour, where they like these bright orange ones or.

LUNT

No black. Black type colour, they were nearly all black. I don't think Heidi had a coat on, I'm not too sure now whether she one or not.
